

Will you think of us?

Local animals need your help

The RSPCA branches are all separately registered charities and they rely entirely on donations raised locally.

The RSPCA Warrington, Halton & St. Helens Branch helps to rescue and rehome needy animals in the local area. Some animals need our help because they have been badly treated or abandoned and we ensure they are given veterinary treatment and then find them safe, happy homes.

If you are thinking of remembering a charity in your will...

A legacy to the RSPCA Warrington, Halton & St. Helens Branch will provide crucial funds. We could not carry out our work without such generous support.

You can do this by making a will or by adding a codicil (a document which specifies alterations to your will). If you are making a will, please remember that the RSPCA Warrington, Halton & St. Helens Branch and all the other RSPCA branches are separately registered charities. So, if you would like the animals in your local area to benefit, we would respectfully suggest that your legacy reads:

I give the sum of £..... (or specify a share of residue) to the RSPCA Warrington, Halton & St. Helens Branch, registered charity number 232259, address for its general purposes and I declare that the receipt of the Honorary Treasurer or other proper officer of the said RSPCA for the time being shall be a full and sufficient discharge for the said legacy.

Please note that a will or codicil needs to be properly witnessed, and you should obtain legal advice.

Gifts to registered charities are generally exempt from inheritance and capital gains taxes. A gift to our branch would therefore greatly benefit the local animals with minimum burden to your estate.
